Workshop practical aspects and implementation

Conference / Workshop 3: “Language and Gender: Practical Aspects and Implementation”

Friday 6th September 2024

This conference / workshop will be led by participating practitioners. Other interested individuals will be able to join as “attending only”, and will be able to participate in discussions, etc.

This workshop will result in a stakeholder targeted report. At this stage, no publication of the proceedings is planned. However, all presentations will be recorded (subject to agreement of the presenters). The recordings, as well as the relevant presentation material, will be made available on this webpage once the event has taken place.

Details on how to join as “attending only” will be disseminated via our mailing list “Gender-Inclusive Language” which you can subscribe to [here](#).
