

Ľudovít Štúr Institute of Linguistics of the Slovak Academy of Sciences

is pleased to invite you

to an international conference under the auspice of the president of the Slovak Academy of Sciences Jaromír Pastorek

Development of the Human Language Technologies and Resources in Slovakia and in the world (10 years of the Slovak National Corpus)

7 - 8 June 2012, Bratislava, Slovakia, hotel Danube

The conference, organized by the Department of the Slovak National Corpus is aimed at presenting national language corpora, specialised corpora, computational lexicography results, development of corpus construction and usage tools, and natural language processing.

There will be several talks given by invited lecturers (http://korpus.sk/snk10_en.html). Anyone interested can join the conference and present his/her own results.

Working Languages: all the Slavic languages and English language
