COLING 2014

23-29 August 2014, Dublin City University, Dublin, Ireland.

COLING 2014

COLING 2014 (http://www.coling-2014.org/), the 25th International Conference on Computational Linguistics, will be organised by CNGL (Centre for Global Intelligent Content) at the Helix Convention Centre at Dublin City University (DCU) from 23-29 August 2014. The COLING conference is organised under the auspices of the International Committee on Computational Linguistics (ICCL).

About COLING

The COLING conference has a history that dates back to the 1960s. The conference is held every two years and regularly attracts more than 700 delegates. The 1st conference was held in New York, 1965. Since then, the conference has developed into one of the premier Natural Language Processing conferences world-wide. The last five conferences were held in Geneva (COLING 2004), Sydney (COLING - ACL 2006), Manchester (COLING 2008), Beijing (COLING 2010) and Mumbai (COLING 2012).

COLING covers a broad spectrum of technical areas related to natural language and computation. The conference will include full papers, oral presentations, poster presentations, demonstrations, tutorials, and workshops.
