

## Position Opening for Fall 2012

TESOL and Applied Linguistics  
Teachers College, Columbia University  
New York, New York

*Position: Lecturer of Language and Education, PK-12 Certification Track  
One-Year Position 2012-2013*

**Position:** The TESOL and Applied Linguistics Programs at Teachers College, Columbia University are seeking a lecturer with demonstrated teaching experience and research interests in PK-12 language pedagogy. The term for the position is one-year, renewable subject to the needs of the program.

**Location:** New York, New York

**Responsibilities:** Teach graduate courses in pedagogy, fieldwork, and student teaching practica in the PK-12 track. The teaching load is five, three-credit courses per academic year with the possibility of teaching up to two summer courses for extra pay. Advise M.A. students. Possibly serve on dissertation committees. Participate in routine program administrative activities including student teaching placements, supervision, and program accreditation. Maintain an active research interest and professional profile in TESOL/Applied Linguistics.

**Qualifications:** Earned doctorate in TESOL/Applied Linguistics, a record of successful ESL/EFL teaching experience with experience in US K-12 settings, experience supervising student teachers, demonstrated record of graduate level teaching, evidence of service to the field of TESOL/Applied Linguistics, ability to perform administrative duties, and ability to work collaboratively.

**To apply:** Upload a cover letter by May 30, 2012 detailing how you meet the qualifications for the position, along with a CV, and two letters of reference to:
