TECHNOLOGICAL UNIVERSITY, SINGAPORE

Pedagogies: An International Journal

brings together emergent and breaking
work on all aspects of pedagogy:

classroom teaching and learning in

response to new communities and student bodies, curriculum and responses
to new knowledge and changing disciplinarity, blends of traditional and new
communications media in classrooms, and most importantly, how we might
improve and renew the everyday work that teachers and students do in
classrooms.

Submissions

Pedagogies: An International Journal is currently seeking submissions.

If you would like to submit a paper, you can submit online through the
journal ScholarOne Manuscript website at:

<http://mc.manuscriptcentral.com/hped>.

For more information on how to submit your paper, visit the journal website at
www.tandfonline.com/hped and click on 'Instructions for Authors'.
