"(RE) IMAGINING TRANSLANGUAGING PEDAGOGIES THROUGH TEACHER–RESEARCHER COLLABORATION

This virtual event features the editors and authors of a new edited volume, *(Re)Imagining Translanguaging Pedagogies Through Teacher–Researcher Collaboration*.

The contributors will discuss how they collaborated on implementing translanguaging pedagogies as teacher–researcher teams; with an emphasis on bridging the research–practice divide and building sustainable futures for translanguaging in K–12 contexts.

Attendees will also be able to participate in Q&A with the authors.
