

EXPLORATIONS IN ETHNOGRAPHY, LANGUAGE AND COMMUNICATION:

ANALYSIS AND IMPACT IN LINGUISTIC ETHNOGRAPHY

**THURSDAY 13TH - FRIDAY 14TH OF SEPTEMBER 2012
UNIVERSITY OF COPENHAGEN, COPENHAGEN, DENMARK**

We are now inviting abstracts for papers and posters for the 2012 conference Explorations in Ethnography, Language and Communication. The theme of the conference is 'Analysis and Impact in Linguistic Ethnography'. We invite contributions from across disciplines and topics such as research on health, education, culture and identity, but abstracts should provide a clear focus on what kinds of results can be achieved with an ethnographic approach to linguistic and communicative data. How do we interpret our data? How do our analyses add to wider knowledge of our target disciplines? And what are the consequences and impact outside social science research of our work?

Invited plenary speakers include Prof. Don Kulick (University of Chicago), Prof. Marilyn Martin-Jones (University of Birmingham) and Dr. Martha Sif Karrebæk (University of Copenhagen).

On the Thursday a series of interactive workshops will take place. On the Friday papers and posters will be presented and discussed. Oral presentations will be 30 minutes in length, followed by 10 minutes for discussion. Dedicated time and space will also be allocated for discussion of posters led by invited discussants.

Abstracts (up to 300 words) should be submitted by e-mail attachment (Word files) to eelc4@hum.ku.dk. Please submit two files, one containing the abstract and details of the author(s) (name(s), affiliation, email address) and one containing an anonymous abstract. Under the title for the abstract, please give four keywords which summarise the paper/poster. In the body of your email please specify whether the abstract is for a poster or paper presentation.

The deadline for submission of abstracts is Friday 4th of April 2012. Registration for the conference will open in June 2012.
