CALL FOR PAPERS

We are pleased to announce that *1st International Conference on Theoretical and Applied Linguistics, January 28-29, 2019* will be held at the Faculty of Languages and Literature, Lasbela University of Agriculture, Water and Marine Sciences, Uthal, Balochistan, Pakistan.

The main objective of the conference is to provide a platform to researchers working in the various fields of Language and Linguistics at national and international level in Pakistan. The conference aims to support and encourage researchers (students and faculty) by providing them an opportunity to present their work. Besides, the conference will also be an opportunity and interactive session among participants and scholars to share and get feedback for their research works. The conference will bring the participants a significant gathering among researchers from all over the country working on various fields of language and linguistics. The conference would give them a platform to discuss their fields of interest. The conference would be an opportunity for researchers to discuss their various works on language typology.

Abstracts on any topic from all areas of Theoretical Linguistics, General Linguistics and Applied Linguistics are invited for the said conference. The selected abstracts will be considered for presentation in the main session of the conference. The conference covers the areas of:

- Morphology
