## New Issue: Language in Development + Live and Online Panel Discussion with the Authors

Reconsidering Development, an open access e-journal on the theory and practice of international development, is pleased to announce its latest issue, on the role of language in development.

In collaboration with Interdisciplinary Perspectives in Development (IPID), the journal will be hosting a panel discussion with the authors on Monday, February 29, at 4:00 pm CST, whose work was featured in the latest issue. The discussion will be broadcast live on Google Hangouts. Questions can be taken during the panel, or in advance, by tweeting to [@Reconsidering](https://twitter.com/Reconsidering).
