

BILINGUAL CALIFORNIA CALIFORNIA BILINGÜE: FRONTERAS Y FUTUROS

October 11, 2024 | 6PM

Music Recital Hall | Free and open to the public

Register at: thi.ucsc.edu

Professor Ana Celia Zentella

In this talk, Professor Ana Celia Zentella will discuss the political, social, and educational barriers that California's Spanish-English bilinguals must overcome to ensure a bilingual future for themselves and their children. She suggests ways that students, parents, teachers, university faculty and community groups can contribute successfully.

Sponsored by the Comparative Language Sciences Project and the Department of Languages and Applied Linguistics
