

Researching Multilingually: A Conversation.

Bridget Goodman, Ph.D.
Nazarbayev University

Brian Seilstad, Ph.D.
Al Akhawayn University

Join us for an engaging conversation with Bridget Goodman and Brian Seilstad, co-editors of the groundbreaking *Researching Multilingually: Conceptual and Methodological Failures, Struggles and Successes* (Multilingual Matters, 2024). This work explores the complexities and opportunities of conducting, analyzing, and reporting multilingual research across various settings. Learn about best practices, theoretical insights, and the challenges faced when researching multilingually. Don't miss out on this insightful conversation!
