### CALL FOR PAPERS

Warsaw, 10 10 2011

*Baltic Linguistics* is heading to become the leading journal for theoretically and typologically informed research into the Baltic languages. It is a peer-reviewed journal publishing only contributions in international languages (preferably English, but also German, French and Russian) meeting requirements of quality, theoretical interest and width of scope. Vol. 2 has been sent to the printer and is due to appear in December 2011.

We now invite contributions for vol. 3 (2011). The deadline for articles is February 28, 2012. Manuscripts conforming to the guidelines laid down in the Instructions for Authors (<http://www.kjoib.uw.edu.pl/instructions.pdf>) should be sent to the manager editor Axel Holvoet (axel.holvoet@uw.edu.pl). Proposals for book reviews should be sent to the review editor Peter Arkadiev (alpgurev@gmail.com). The deadline for reviews is June 30.

Looking forward to your contributions,

*The Editors*
