Call for Papers for *Baltic Linguistics* vol. 7, 2016

Baltic Linguistics is a leading journal for theoretically and typologically informed research into the Baltic languages. It is a peer-reviewed journal publishing only contributions in international languages (preferably English, but also German, French and Russian) meeting requirements of quality, theoretical interest and width of scope.

We now invite contributions for vol. 7 (2016). The deadline for submission of articles is March 31, 2016.

Manuscripts conforming to the guidelines laid down in the Instructions for Authors (downloadable from <http://www.balticlinguistics.uw.edu.pl/node/5>) should be sent to the managing editor Axel Holvoet (axel.holvoet@uw.edu.pl). Proposals for book reviews should be sent to the review editor Peter M. Arkadiev (alpgurev@gmail.com). The deadline for reviews is June 30.

Contributors will be expected to sign a declaration of sole authorship and funding.
Looking forward to receiving your contributions,
