

# 4th Barcelona Summer School on Bilingualism and Multilingualism

Universitat Pompeu Fabra

14-17 September 2015

The aim of the summer school is to bring together prominent experts on bilingualism and multilingualism who represent different disciplinary approaches and will discuss their state-of-the-art research.

The school is intended for post-graduate students and researchers interested in an updated overview of the field in an international academic context

## The school will include courses taught by:

- **Ágnes Kovács** (Central European University)  
Learning two languages in the crib: Cognitive effects of bilingualism in infancy
- **Annick de Houwer** (University of Erfurt)  
Studying the input in bilingual acquisition: methodological and theoretical considerations and implications
- **Istvan Kecskés** (State University of New York, Albany)  
How does bilingualism affect utterance production and interpretation?
- **Lera Boroditsky** (University of California, Santa Barbara)  
How do the languages we speak shape the ways we think?
- **Maria Polinsky** (Harvard University)  
Learning from heritage languages

## A research presentation workshop will be held on Monday afternoon

- Workshop chair: **Albert Costa** (Universitat Pompeu Fabra)

## School directors:

- Istvan Kecskés (State University of New York, Albany)
- Carmen Pérez Vidal (Universitat Pompeu Fabra)

**Registration deadline:** 30 June 2015

**Abstract submission deadline:** 20 March 2015

**Further information:** [www.upf/bsbm/en](http://www.upf/bsbm/en)

**Contact:** [bilingualism.school@upf.edu](mailto:bilingualism.school@upf.edu)

## Location:

Universitat Pompeu Fabra  
Campus de la Comunicació  
Roc Boronat, 138  
08018, Barcelona (Spain)
