

# Call for participation

## *The Fourth Symposium on Natural Language Processing SNLP 2000*

*In Chaingmai, THAILAND  
10-12 May, 2000*

---

### **History**

The International Symposium on Natural Language Processing in Thailand has been held every other years since 1993 with the cooperative effort of a number of universities in Thailand. The purposes of SNLP are; a) to exhibit and promote the research projects on NLP b) to be a forum for all Thais reseacher and practitioners to exchange their idea, knowledge and experiences and lastly c) to present and disseminate the successful results to the public.

The fourth symposium has been co-hosted by AI Center of King Mongkut's University of Technology Thonburi (KMUTT), corporating with NECTEC, Ministry of Science, Technology and Environment and University of Waterloo, Canada.

### **Paper Topics**

Machine Translation	Corpus Analysis
Parsing	Lexical Acquisition
Lexicon	Disambiguation
Information Retrieval	Multilingual Information Processing
Speech Processing	Text Processing
Optical Character Recognition	Applied NLP System
