Dear Valerie,

The teachers of the K-5 grade, at the Marie H. Katzenbach School for the Deaf, in the city of Trenton would like to participate in your SignWriting Literacy Project. We are part of Mercer school district. Some of our teachers would like to introduce SignWriting to their students. These teachers are interested in learning and using SignWriting because they want to improve literacy in their classes. Each teacher has approximately 6 numbers of students who will be participating in the Literacy Project.

We agree, as a group, to complete three Web Reports in return for the SignWriting materials and technical support you donate to us. We understand that this letter and all three reports will become public information and will be posted to the Sign-Writing List and posted on the SignWriting Web Site. You have our full permission to use the information as needed.

Please send SignWriting materials for 4 numbers of teachers and 24 numbers of students.

Thank you for considering us for your project.

Sincerely,

Ms. Camille Lorello
