

The numeric handshapes are as follows:

1	2	3	4	5	6	7	8	9	0
	V	V/	Ā	Ж	V	V _L	∩	V _o	O

20	25	100	1xx	200	300	400	500	1000
/	Ū _/ , ǺP	C	₁	V ₁	V ₂	Ā ₁	Ж ₁	Π ₁ ,Π ₁

Note that V is used in 22 V⊕V; <V; , rather than |/, and that there are all manner of other handshape assimilations possible in signing numbers in ASL, as will be shown in Ben Bahan and Cinnie McDougall's upcoming book *Number Signs for Me* from DawnSignPress.
