

# Should we have our own way to write our own language, ASL?

## Share Your Opinion!

Take this online survey about reading and writing American Sign Language!

Do think ASL should be written down or read like other languages?

Share how you feel about writing in your own language.

The survey is in ASL and English!

All your information is private and cannot be tracked back to you.

The survey should take about 30 minutes to complete. (You may be faster or slower than this.)

Take this survey to make your opinion known!

Tear off and go to the link or follow the QR code to the Survey!
