ICSTLL47

The 47th International Sino-Tibetan Languages and Linguistics Conference, Institute of Sino-Tibetan Studies, Yunnan Normal University, China

17-19 October 2014

We are pleased to announce that the 47th International Conference on Sino-Tibetan languages and Linguistics will be held in Yunnan Normal University, Kunming, China, on 17-19 October 2014, sponsored by Yunnan Normal University, and organized by Institute of Sino-Tibetan Studies, Yunnan Normal University.

If you expect to attend ICSTLL47, please take a moment to send a brief email indicating your intent to the secretariat of the conference, at 47ICSTLL@gmail.com.

Call for papers

We invite submission of abstracts for papers treated mainly involve: (1) synchronic description and diachronic comparison of Sino-Tibetan languages; (2) Research on Chinese language (including Chinese dialects, Ancient Chinese language, Modern Chinese language); (3) relational studies on Chinese and non-Chinese languages;(4) Research on big data construction of Sino-Tibetan languages.

Abstracts should be submitted (1000-1500words) for papers enclosed with the author's name, work unit, postal address, email address and contact phone number and should send them via email to the conference designated email-box: 47ICSTLL@gmail.com. After a check and approval of paper abstracts, the conference committee will send official invitations to would-be participants and guests on July 1st, 2014.

The conference committee also offers 10 free of charge participants (free from expenses of accommodation and general affairs), eligible to excellent doctoral students. For any doctoral student ready to apply for the free participants, please download the application form here following the announcement and after filling out please send back via email the form together with paper abstract to the conference organizing committee.
